

September 29, 2008

To Whom It May Concern:

HOV Services, LLC / Meridian (HOV/Meridian) entered into an agreement with JC Patin Group (JC Patin) to provide construction management personnel as required to augment the field staff of HOV/Meridian in overseeing repair of Louisiana Department of Education Recovery School District (RSD) school facilities damaged by hurricane Katrina. JC Patin provided experience qualified personnel as requested by HOV/Meridian and worked with HOV/Meridian to achieve aggressive performance goals established by RSD in its effort to complete repairs and make schools in Orleans Parish Available for occupancy.

JC Patin performed to the full satisfaction of HOV/Meridian. HOV/Meridian would look forward to again work with JC Patin if the opportunity occurred.

Sincerely,

William G. Sarver
Director of Construction Services
